Rich and Paula

I have been in the office today getting ready to head to Aspen tomorrow with Laura to sit in for Shaun at the AREDAY Summit.

I just went over Shaun's speech for the keynote tomorrow. I need your assistance in making sure that the info especially related to the Gold King incident is what the Agency wants to say. I don't know what to do and look to you for guidance.

Joan said she would get me talking points to tell the folks why Shaun is not at the summit but I don't think that would do for this segment of the speech.
